

Adam L. Hamilton
President and CEO, SwRI

Biography

Adam Hamilton is President and CEO of Southwest Research Institute (SwRI). He holds an M.S. degree in Engineering and a B.S. degree in Aerospace Engineering; both from The University of Texas at Austin. He has been a Professional Engineer since 1993.

Hamilton is a Fellow of the American Association for the Advancement of Science (AAAS) and an Associate Fellow of the American Institute of Astronautics and Aeronautics (AIAA). He is the Immediate Past Chair (2020) for the San Antonio Chamber of Commerce, and he is the president of the Academy of Distinguished Alumni for the University of Texas Department of Aerospace Engineering and Engineering Mechanics.

Hamilton serves the community in an advisory capacity through his appointed roles: Executive Committee and Board of Directors, United Way of San Antonio; Advancement Council, University of Texas at San Antonio College of Sciences; Trustee, San Antonio Medical Foundation; and Special Trustee, Texas Biomedical Research Institute. He is an Industry Advisory Board member for the American Society of Mechanical Engineering (ASME), an Industry and Community Affiliates member of The Academy of Medicine, Engineering & Science of Texas (TAMEST), a Board member for the Dee Howard Foundation, and Chair of the Board for Signature Science, LLC.
